THERMOMETERS

Theroscan, a non-contact wrist infrared thermometer

Theroscan (#TS-1B)

List: \$555.00 - ICS: \$ 488.40
(plus shipping)

Stanchion Pole (#A-142)

List: \$30.00 - ICS: \$26.40
(plus shipping)

The **Theroscan Infrared Wrist Thermometer (Model TS-1)** is a self-help, non-contact device designed to quickly screen people for temperatures. The unit comes with a rechargeable battery, which operates for 50 hours on a full charge. Once set up, you can take advantage of the Model TS-1's cost-effective, hands-off solution for monitoring the body temperatures of employees, students, or visitors and, simultaneously, keep your building/workplace safe and healthy.

Contactless Digital Thermometer

Berrcom Thermometer (FDA approved, three backlight colors (batteries included))

List: \$ 79.99 - ICS: \$ 34.99

The **Berrcom Non-Contact Infrared Digital Thermometer** offers a fast, accurate way to monitor core temperatures and, if needed, enable you to take prompt preventive action. You can obtain a true temperature in just a few seconds and, since this is done non-invasively, these thermometers are ideal for use in your work environment and nursing office.

Additional batteries available- Procell AA 24 pk \$13.50
