

CATHOLIC NEW YORK

AMERICA'S LARGEST CATHOLIC NEWSPAPER

Do you have parishioners who miss getting a copy of Catholic New York at Mass?

Since the start of Covid-19 Catholic New York has reduced the number of bundle copies we send to parishes in the Archdiocese. That has made it difficult for some people to regularly pick up the paper in their parish church.

There are two easy solutions for them!

First, send us their name and email address. We will add them to the list for our e-edition. They will receive an email every two weeks connecting them to an exact digital copy of the latest issue. No waiting until the mail arrives or hoping to get to church while there are copies left.

To add parishioners to Catholic New York's E-edition Mailing List please send us a list of their names, with their email addresses in Word or Excel format. Be sure to identify your parish by name and location and email the list to: subscribe@cny.org. Both the e-mail and print edition parish mailing lists are confidential and are not shared. They are always available for your review. The e-edition is offered at no cost to your parish.

Second, if you see that there are people looking for printed copies of Catholic New York in church, please let us know. We can increase the number of copies delivered to your parish at any time. Please call our Circulation phone at 646-794-3140.

Thank you for your continued support of Catholic New York.
