Catholic Charities New York discusses post-pandemic state of City with former Google head Tim Armstrong

New York should look to its post-9/11 recovery to meet its current challenges, according to tech entrepreneur Tim Armstrong. The founder and CEO of Floecode, the former president of Google and former CEO of AOL, spoke at a June 23 webinar sponsored by Catholic Charities of the Archdiocese of New York and hosted by The Cardinal's Committee for Charity.

What Happens When an Unaccompanied Minor Reaches the US Border? Meet Josue.

Josue is a 14-year-old from Guatemala who fled threats of violence from gangs after he refused to join a gang in his home town. He had to flee his home immediately when his home was shot at as a warning from the gang he rejected. The next morning, Josue said goodbye to his parents and younger sister.
