# The Beauty of the Feminine Heart

Presented by the Sisters of Life

This brunch borrows its name from those amazing God-given attributes endowed to you as women – receptivity, sensitivity, generosity and maternity – all of which make up the feminine genius! It is our hope that the talks and experience of this brunch will reveal to you your amazing gifts as women and open your hearts to the Holy Spirit who longs to spark these gifts to life!

“When we become who we are  
meant to be, we set the world on fire.”

– St. Catherine of Siena
