

Dear Valued ICS Customers,

As we prepare for Easter once again, I want to give you updates about our product selection and ordering deadlines. Please remember that our ability to secure great prices for you is based in part on our collective purchasing power and depends on parishes ordering through ICS.

Product selection – what we have and what we don't ICS sources vendors who can supply quality products for timely delivery at a reasonable price. This Lenten and Easter season, we are offering ashes, palm strips, candles, charcoal, incense, altar breads and wine. We have determined we cannot bring you Easter flowers in 2022. Many vendors stay away from the bulk purchase of Easter flowers due to the narrow budding requirements and general sensitivity of the traditional flowers. Please note, we will again offer the well-received Christmas plants and greens from our popular vendor, Harmony Greenhouse, this Christmas season.

We will continue our program with Root Candle to provide discounts on beautiful Pascal candles and other candle styles. Please see information on the products available at <https://www.nyics.org/root-candle-referral-1>.

Delivery expectations and deadlines No joke: It is essential that you place your orders early to avoid supply chain delays. The news is filled with disheartening descriptions of clogged shipping ports and delivery driver shortages. We have been working with our palm supplier, Palm Gardens, to ensure we have your high-quality fresh palm delivered in the same timely manner you have come to trust from ICS.

Palm - ICS will order more than 1 million palm strips this year. When you order your palm early, it will be included in our huge bulk order and will qualify ICS for a dedicated refrigerated truckload delivered directly from the producer to the UPS distribution center in New Jersey. UPS will then distribute palms to your parish during the week of April 3. PLEASE place your palm orders by March 4. You can modify them until March 11.

Candles, Charcoal, Incense, Altar Bread and Wine – Please order now to have these items in your sacristy when you need them. As you know, they can be stored almost indefinitely. We have been told there may be shortages of certain charcoal options. You can check with one of our customer care team members for details and alternatives. We will use this space to keep you informed as we learn more about the issues.
Bottom line

Please order as soon as you can! We can save you money, time and headaches.
