

Dear ICS Customers,

This brochure describes annual publications that are invaluable to parishes. ICS is proud to once again offer them at prices lower than you will find elsewhere. As you know, we buy in bulk and pass along discounts to you. Buying from ICS gives you great products, prices and service, but it also helps us maintain the ability to bring you the best of everything at an affordable price. These are the most popular:

The Ordo, or Order of Prayer in the Liturgy of the Hours and Celebration of the Eucharist, includes daily readings, outlines, profiles of saints, pastoral notes and necrology.

The Daily Mass Record is available for both 2023 and 2022. You will need these as soon as you open the Mass intention reservation process.

The Year C Workbook for Lectors, Gospel Readers and Proclaimers of the Word will be especially useful this year as we return to our practice of having lay readers at mass. This book provides content and context, as well as suggestions of where and why emphases should be placed.

Please look at the options today and order as soon as you can. As we emerge from the pandemic, we anticipate that some of our suppliers will have delays in their supply chains. While these are not related to ICS service, we would not want you to be disappointed if there are shortages or shipping delays.

Also, you will note some modest price increases. These reflect current costs, but are still lower than you will find elsewhere.

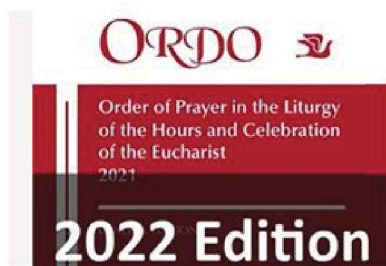

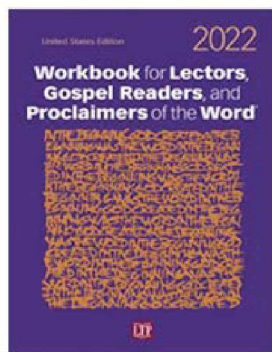

To order, please follow the links on the product pages, fill out the order form or call our Customer Care Team.

Thank you for being an ICS customer.

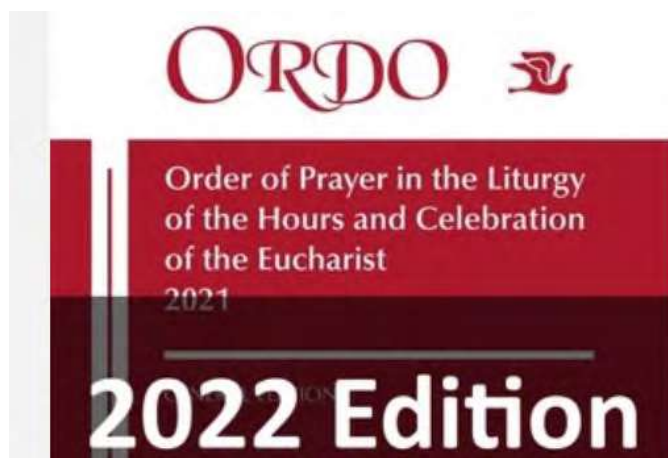

Sincerely,

Theresa Cullen-Seidel

Executive Director
