

ICS has secured a limited quantity of COVID-19 self-tests, also known as home tests, antigen tests or rapid tests.

Our first allocation has sold out. All orders received by ICS up to January 9, 2022 will be fulfilled. Our next delivery will be in the week of January 24th.

The Centers for Disease Control (CDC) says self-tests can be taken anywhere, are easy to use, produce rapid results and can be used regardless of vaccination status and whether or not you have symptoms. The cost of the tests can be covered by your FEMA application.

Orders for your parish-based school, must have pre-authorization from the Office of the Superintendent of Schools.

List Price \$27.99 per pack (2 tests) plus shipping & Handling
ICS Price \$24.00 per pack (2 tests) plus Shipping & Handling
Maximum order 12 (2 cases, 24 tests)

Our second order is shipping from Houston TX estimated arrival is the week of January 24th. We will ship your order as soon as the items arrive.

Place your order today to secure quantity. Scan this QR code or follow this link to order COVID-19 self-tests today
