

Blessed Christmas

Dear ICS Customers,

We are already thinking about the best ways to meet your Advent and Christmas needs! No, we are not “rushing the season,” but we want to make sure you order early to avoid disappointment. It is possible that some of our suppliers may have post-pandemic delays in their supply chains.

Seasonal - The Advent and Christmas items in these pages include candles, wreaths, greens and poinsettias, all at discounted prices. We are again using Harmony Greenhouse for the plants, wreaths and greens. They have been an unfailingly dependable vendor of ours for more than ten years.

Stock up - I have also included information on our most popular altar wines and altar breads. You may need to resupply as parishioners return to the sacraments.

Snow alert - This is a good time to inventory your snow removal supplies and order snow melt, floor cleaners, shovels, pushers and salt spreaders.

Buying from ICS gives you great products, prices and service, but it also helps us maintain the ability to bring you the best of everything at an affordable price.

To order, please follow the links on the product pages, fill out the order form or call our Customer Care Team. Thank you for being an ICS customer.

Sincerely,

Theresa Cullen-Seidel
Executive Director
