

*Summertime ...  
Time to take stock, time to stock up...  
Time to start projects, time to finish projects*

**In this brochure you will find an assortment of different product ideas and services... with the summer months upon us, it may be a good time to consider some of these items as they may represent the perfect complement for the kind of work and project you are thinking about.**

- Paint and painting supplies - choice of two quality brands
- Floor applications, matting for vestibules and hallways
- Rest mats for early childhood education classrooms
- Fire safety products and code inspections
- Moving services – for commercial or residential purposes
- Table/chair storage and dollies
- Drapery and curtains – for classrooms, auditoriums, large halls
- Portable screens for room division and setting up privacy areas
- Air conditioners and room humidifiers (it's that time of year)
- 3D printers, printer carts
- Copiers – provided on yearly payment term options, or purchase

**ICS OFFERS ONE-STOP SHOPPING FOR ALL OF YOUR PURCHASING NEEDS – WE ARE AVAILABLE TO:**

- consult on your product purchases,
- ensure that a specific need is properly defined, addressed and met,
- provide multiple proposals for the product that is to be purchased (as applicable),
- place the order on your behalf and see it through to delivery.

**INSTITUTIONAL COMMODITY SERVICES**

# Take Some Easy Steps... To Create Safe Steps

## FORM-A-TREAD®

**Form-A-Tread®** is a form-in-place epoxy used to increase safety, traction and visibility on stairs, ramps, ladders, vehicles, wet areas and any location where ease of installation and extreme durability are needed.

Form-A-Tread can also be used to create detectable warnings at curbs and drop offs. The product can be used indoors or outdoors and is exceptionally durable in areas exposed to chemical, weather, and temperature extremes. Its paste (no drip) consistency makes it clean and easy to use, even on sloped and irregular surfaces.

Form-A-Tread adheres to all common building surfaces like concrete, stone, brick, wood, fiberglass, and metal (no priming needed).

Effective on indoor and outdoor steps...

...and some applications illuminate in darkness.

"We are very happy with Form-A-Tread... it's extremely easy to apply and truly lives up to its specifications!"

- Director of Facilities - St. Ignatius Loyola Church, Manhattan

# PROTECT YOUR BUILDINGS, PROTECT YOUR EMPLOYEES, PROTECT YOUR VOLUNTEERS...

**Total Fire Protection (TFP)** performs complete fire and life safety services for organizations with multiple buildings of varying sizes; their professional technicians bring decades of experience in keeping all of your facilities up to code. TFP looks to develop lifelong relationships with their clients and partners. Every customer of TFP is assigned a specific consultant who will design cost-effective fire and life safety solutions that are thorough, appropriate for your building(s), and are in line with budget restrictions.

## Why is it important to have a safety protection program?

It is critical to note that fire safety codes and regulations are **not static** and can undergo rapid change on a local, state, or national level. TFP's fire and life safety professionals will keep your buildings up-to-date with National Fire Protection Association (NFPA) code, OSHA regulations and Local Law. By doing this, you will never be caught unprepared for an inspection by the fire department or a fire marshal.

## INTERESTED IN LEARNING MORE ABOUT FIRE PROTECTION SERVICES AT YOUR PARISH?

IF YOU ARE CONCERNED ABOUT FIRE AND SAFETY ISSUES IN THE BUILDINGS THROUGHOUT YOUR PARISH, CONTACT ICS (646-794-2600) AND A REPRESENTATIVE WILL BE ABLE TO ARRANGE AN ONSITE INSPECTION FOR YOU.

NOT ONLY WILL YOU BE KEEPING YOUR EMPLOYEES, VOLUNTEERS, AND PARISHIONERS SAFE AT ALL TIMES - YOU WILL REMOVE THE POTENTIAL RISK OF A FINE.

# Floor Safety Throughout... from the moment you step inside.

## Crown Total Care 3-Mat System™

- Each mat in the system is designed to offer specific floor protection features
- All mats have an overall thickness of 5/16" and a ThermoFlex™ vinyl backing and borders that reduces mat movement
- Attractive two-tone colors and resilient construction resist fading

### Fore-Runner® 155 Mat

- First mat in System
- Scraper mat for medium traffic
- Use: indoor or outdoor
- Non-absorbent, abrasive surface scrapes soil and debris from footwear

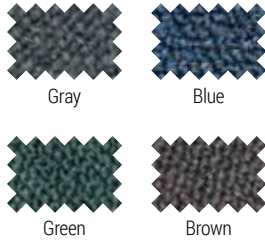

### Cross-Over® 255 Mat

- Second mat in System
- Scraper/wiper mat for medium traffic
- Use: indoor or outdoor
- Abrasive loop-pile surface scrapes debris and moisture from footwear while sturdy olefin fibers start the drying process

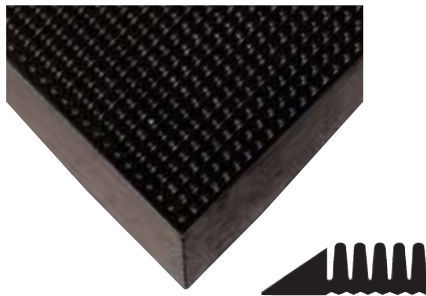

### Walk-A-Way® 355 Mat

- Third mat in System
- Wiper mat for medium traffic
- Use: indoor
- Dense, fast-drying loop-pile fibers absorb remaining moisture and trap fine dirt particles

# *Chair and Table Dolly*

An efficient way to stack and store your tables and chairs... and, of course, an easy way to move them around.

SEE HOW EFFICIENTLY YOU CAN STACK 42 CHAIRS AND 12 TABLES.

National Public Seating (NPS®) – one of our preferred furniture vendors and the provider of these dollies – stands for superior strength, quality, and value. Consider the efficiency this unit brings when stacking and moving tables and chairs.

There are value-added features with the Model #42-8 Combination Folding Chair/Table Truck that make it even more functional than ever and safety elements are included.

The unit now stores **up to 42** folding chairs and **12** folding tables and includes bungee cords for stability and safety when your dolly truck is fully loaded. The locking cords are easily wrapped around tables which locks them in place – this will allow you to roll the dolly both easily & safely!

**Overall Size:** 67" W x 33 1/4"D x 70"H

**Weight:** 88 lbs.

**Pricing is extremely competitive!**

# Two quality paint brands to choose from...

**SHERWIN-WILLIAMS.**

## Your One Stop Shop for Paints, Equipment and Supplies

- Convenient locations, expert advice, on-site delivery
- Paints that meet the most stringent environmental requirements

Sherwin-Williams is the most recognized paint brand in North America, offering top quality and value solutions for your school, office, church, hospital, nursing home or rectory. Your nearby store is your one source for:

- Durable innovative coatings to get the job done quickly
- A broad selection of painting supplies, applicators, spray equipment and wallcoverings
- Fast and accurate color matching
- Color styling services and specification advice

Take advantage of discount pricing that has been negotiated in our national agreement with Sherwin-Williams. Save money on the painting products and accessories you need.

## Save on:

**Paint – 27% off**

**Brushes & Rollers – 25% off**

**Painting Sundries – 20% off**

See the latest Sherwin-Williams ProBuy catalog on our website. Go to [www.CatholicPurchasing.org](http://www.CatholicPurchasing.org) and click on "Publications".

### Harmony®

Zero VOC coating with Odor Eliminating Technology helps reduce common indoor odors, so rooms stay fresher longer

Product Certified  
For Low Chemical  
Emissions  
UL.COM/GG  
UL 2818

### ProMar® 200 Zero VOC

Excellent quality with a primer, 4 sheens and all colors

## Pro Industrial High-Performance Coatings

A complete line ideal for high traffic areas especially in schools and healthcare facilities

### Water Based Catalyzed Epoxy

Extremely tough multi-use coating

### ProCryl® Universal Acrylic Primer

Excellent waterborne rust-inhibitive metal primer

### Acrylic Coating

A durable finish with exceptional stain resistance

**Also available:** Anti-Graffiti Coating, Urethane Alkyd, a variety of epoxies and a complete line of aerosols.

## Eligibility Instructions

To take advantage of our discounted pricing, call our office to establish a Sherwin-Williams account number for your institution. Once that is done, simply go to your nearest Sherwin-Williams store and give them your account number. You will automatically receive discounted pricing.

*...the choice is yours and now you can take on that painting project at your parish.*

*Either way you will be using quality paint products!*

**Take advantage of the exclusivity...**

This is an **exclusive arrangement** with ICS because not just any store can sell Benjamin Moore paint and stain. Benjamin Moore trusts only their network of independently owned authorized retailers to sell their products and, through their agreement with ICS, these retailers are available to you.

**You get to buy 'local'...**

Our arrangement with Benjamin Moore allows you to easily purchase their quality paint through their local dealer.

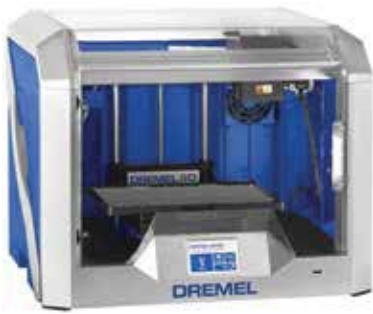

NOTE: An account first needs to be established and ICS staff can assist you with the initial set up. Of course, you will then benefit from the **discounted pricing** established through ICS.

Contact your local ICS representative if you have any questions on how to join the ICS-Benjamin Moore program. Keep in mind that, once done, you will be able to make purchases of their quality products through the associated retailer near you.

# Considering 3D printers...?

## Dremel Digilab 3D40 FLEX-EDU Idea Builder 3D Printer

- Advanced extruder design has an active filament monitoring system to ensure successful builds

- Red, Blue, Yellow, Black, Orange, Navy, Green or Cool Grey

Description	Item	Your Price
Large Handle	91674	\$13.73
Small Handle	91675	\$6.34

# *Back to administrative work and projects... our copier program could be a big help.*

## SHOULD YOU RENEW YOUR CURRENT CONTRACT, OR IS IT TIME FOR A NEW UNIT?

ICS offers a financing program for copiers and has secured premium pricing with the major manufacturers of the equipment, which enables us to provide wholesale purchasing contracts with comprehensive service agreements. We represent all models of copiers made by the following top-tier companies:

- Canon Solutions America
- Sharp Corporation
- Konica Minolta
- Toshiba Business Solutions
- OKI Kyocera
- Hewlett-Packard
- Xerox Corporation
- Ricoh Company Ltd.

**We consult.** Prior to the completion of your purchase, ICS will establish your true anticipated machine usage over the course of your term (three, four, or five years) and ascertain your typical overall copying needs.

**We secure three bids.** ICS provides three distinct proposals which include a set “per copy” rate. This rate is based on the expected number of copies made (per month), which is estimated by the customer during the initial consultation. Simply put, there can never be an overage fee for copies in excess of a pre-determined amount and since the cost-per-copy is always the same, it is easy to manage your copying/printing budget.

**You can own the equipment.** ICS arranges *low interest* rates and at the end of the term you own the machine outright, with no additional fees to be paid. Our ownership policy differs from the industry-standard practice that allows automatic renewals, generally with a cost increase, unless the customer notifies their current provider (during a specified window of time) that the equipment is to be returned.

**Our commitment to service and support.** The terms of our service contract include conditions that address the repair and/or replacement of all parts, labor, toner, and staples. As the equipment is ultimately owned by you, ICS is available to further consult on the best type of service contract for your copier going forward. With our expertise we will recommend a suitable, extended service agreement on the equipment – again, one tailored to your needs and most suitable for the machine you have (based on its condition, age, future use expectation, etc.).

**Let us help you.** Send us a copy of your current lease at least 150 days before its expiration date. We will review the terms of the contract and advise on your obligation (if any) going forward. We will also help effect the safe, legal return of the equipment should that be an option you wish to pursue. In addition, the ADNY Legal Office reviews all non-ICS contracts to ensure that the parishes, schools, and institutions are protected and are in compliance with New York State law.

**Let our successes be yours, too.** Since ICS began this program in 2012, we have been able to reduce monthly payments and save participants at least 20% on their new agreements. Contact us for a consultation on your next copier purchase.

Contact your local ICS representative for any questions you may have and for assistance in placing your orders.

*Over 75 years of  
service to the Church*

...Our mission is to serve all of the parishes, schools, and Catholic institutions in the New York tri-state area by connecting those entities with vendors that can deliver merchandise and services at the most competitive prices.

## The ICS Team
