HAPPY NEW YEAR

It's hard to think about Easter during the month of January but it will be here before we know it. Lent begins on February 17th and Easter falls on April 4th. It is time to begin working on your Easter list and we are ready to take your order. Enclosed is our current Easter brochure showing our assortment for this coming Easter season. If you wish to review our products in our store please go to <https://www.nyics.org/store/Easter> and place your order.

As we prepare for Easter once again, it is essential that you place your orders in a timely manner. Manufacturers and growers are producing less inventory since sales have been less than robust due to the uncertainty with COVID 19. We cannot ensure all items will be in stock closer to the Holidays.

Please note you can order early and if you want to change or cancel any part of your order for any of the items order please do so by e-mailing ICS at ordes@nyics.org by the date below. We will only accept e-mailed adjustments by the date provided.

Time sensitive items:

- **Ashes** – cancel or adjust order by February 5th.
- **Palms** - Orders are due by February 26th.
You can cancel or modify your order up to noon on March 4th.
- **Palm Crosses** -Orders are due by February 12th.
You can cancel or modified your order up to noon on February 16th.
- **Flowers** - Orders are due by March 12th.
You can cancel or modify your order by noon on March 19th.

Also available for purchase are the following:

- Paschal Candles
- Charcoal and Incense
- Altar Bread
- Altar wine

PALM

- Keep fresh – do not open plastic bags until you are ready to hand out to your parishioners
- Keep bags in a cool area (refrigeration is best, if possible—perhaps a local florist may be able to store them for you)
- If you cannot refrigerate, put in space that allows air to circulate freely around the bags

ALTAR DECORATIONS

- Keep refrigerated until ready to arrange; leave in plastic bags until ready to use
- Three (3) hours prior to setting them out, cut the stems at a 45 degree angle just above the bottom end of the stem – then place in water and keep in water at all times.
