New Life:

making remarriage a joy filled journey

- Want better communication?
 - Deeper understanding?
 - Resolve conflicts?
 - Create a more cohesive family
- Heres' how parishes can support stronger marriages.

Since 1986, **New Life** is a peer ministry offering retreats for couples getting remarried in the church.

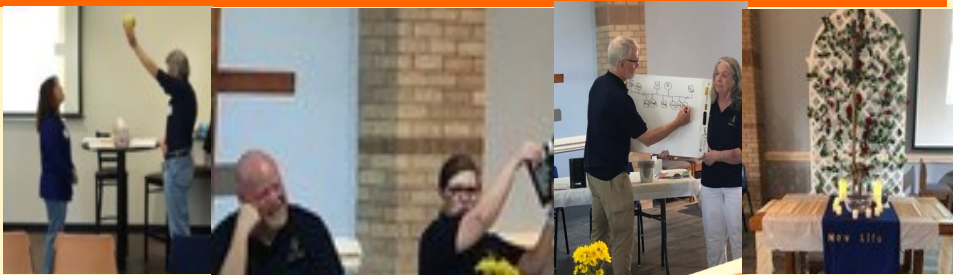

New Life partners and helps churches minister to the unique needs of remarrying couples, which are much different than first time couples, by providing a new model for biblical marriage and preventing redivorce.

New Life is a great opportunity for churches to meet the unspoken and unaddressed needs of your parishioners by providing a ready-made program to connect with couples, in the spirit of fellowship and support.

New Life satisfies (re) marriage/convalidation prep requirements when working with a pastor or deacon.

New Life is a TwoGether in Texas qualified marriage education
