Dignity at Every Age

Wednesday of Respect Life Week – January 2022

Helping Others

Grades PK-K

**Goal:**
Students will explore the concepts of illness through the lens of the dignity of every person at every stage. Through stories, students will realize that the elderly and the sick have love to give and need to receive love.

**Materials:**
- Patch Adams ([video link](#))
- A Week at Grandma’s ([Part 1](#) and [Part 2](#))
- craft paper, markers, scissors, popsicle sticks for crafts

**Watch:**
The first video shows how Patch Adams cares for the sick because he makes them laugh when they could be feeling upset. The second video shows time with grandparents and how they love unconditionally. Both videos are examples of upholding the dignity of people at every stage and situation of life.

Prayer:

Loving God, bless all our grandparents and those in our families who are older.

May they share their wisdom and faith with us.
May they continue to learn and grow with us each day.

Bless all those in our families who are sick. Give them courage to find joy in each day.

Allow us to find joy and blessing in visiting and showing love for our elderly, sick, and disabled people we know.
Amen.
