

**Secure your Bus today for both
NY State Eucharistic Congress, October 2023
&
National March for Life, January 2024**

ICS has partnered with Charter Linkz which is a national bus charter rental company based in New York and New Jersey. They have been providing bus rental services nationwide for decades. They pride themselves on being able to make traveling, event-planning, and having fun easy for our customers, be it a corporation, business, or a group of school students.

The buses utilized within the ICS program have met the insurance requirement on behalf of the ADNY and are approved by Catholic Mutual.

Charter Linkz fleet includes:

- Coach Bus, for 49-56 passengers
- Executive Mini Coach, for 27-35 passengers
- Minibus, for 20 - 28 passengers
- School Bus, 44-54 Passengers

Here is how it works:

Getting pricing, this is our job. Upon receipt of your request, ICS will contact charter Linkz to secure their estimate. The estimate will, of course, be based on the trip's exact specifications – date, bus type, destination, number of stops, pick-up/drop-off times, etc. The cost will be provided directly to you – in writing – for your ultimate decision.

Fulfilling your order. ICS will see to it that the order has been properly processed, for ADNY entities a Hold Harmless Agreement will be executed to ensure that your transportation needs are safe, reserved, and that the bus arrives on time on the day of your trip.

We recently received a note from Lauren Gentry, Director of Youth Ministry and Discipleship of Blessed Virgin Mary Help of Christians Church, this is what it said:

“Thank you for a great trip the other week! Tom, our bus driver, did an amazing job making sure we were all taken care of and safe.”
