

## Dominican Sisters of Sinsinawa Look to the Future

Remember when the Sinsinawa Dominican Sisters served in our parish? Perhaps a sister taught you to read and paint or taught your children to play the piano and solve math equations. Or perhaps a sister serving as pastoral minister brought communion to your home or worked with you for marriage preparation. So many lives were touched by these remarkable women. Now, after celebrating their 175<sup>th</sup> anniversary in 2022, they are reaching out to ask for support from others. For only the third time in the history of their congregation, the Dominican Sisters of Sinsinawa are conducting a capital campaign. ***Mission Forward: 175 Years and Counting*** is underway. The goals of the campaign seek to fund the formation of new sisters, the cost of care for retired sisters, and their current and future ministries. Please go to their website at [www.sinsinawa.org/missionforward](http://www.sinsinawa.org/missionforward) to read more about their campaign goals and learn how you can support them. The Sisters ask for your prayer and keep you in their heart and prayer always.
