

The Cavanagh Company will institute another price increase **effective July 1, 2022.**

To help our customers benefit from the current price and to limit shipping costs, ICS will make a significant bulk purchase before June 30, 2022.

Please review your inventory now and follow this procedure to make sure your order is processed timely and with the current price. This will ensure that you receive a dated order confirmation and get billed at the lowest price.

Place your order on the ICS website <https://nyics.org/cavanagh-altar-bread-order-form-oct-21> by June 28, 2022. This will give ICS time to place our bulk order with Cavanagh. **Orders received on or after July 1, 2022, will be billed at the vendor's new higher price.**
