Executive Director
RE: New Regions for Youth Faith Formation Specialists
Date: September 9, 2021

As part of the restructuring of the Department of Youth Faith Formation, we have created a new regional structure to be able to provide a more personal consultation and support system for parish faith formation from baptism to twelfth grade. Each regional specialist (formerly director) will be the single point of contact for the parish in these areas in order to help foster seamless experiences of faith formation for parents and young people as they grow in their love of Christ and the Church.

Here are the new regions with the contact information for the specialist:
