REFERENCE GUIDE

Always contact the Chancery with any questions!

Marriage Impediments (Code of Canon Law, canons 1083-1094)

1. Impediments of Divine Natural Law that cannot be dispensed by anyone:

- A) **Impotence:** Antecedent and perpetual incapacity of groom/bride to perform a complete conjugal act, i.e., marital sexual intercourse. Sterility or the inability to impregnate or to conceive is not an impediment.
- B) **Prior Bond; Ligamen.** A person with a prior bond cannot marry again as long as the first spouse is living since the marriage is presumed valid. If a decree of declaration of nullity or a dissolution is granted by a Catholic Tribunal, then the person could be free to marry.
- C) **Consanguinity:** Blood relationships in the direct line, any ancestor and descendant, i.e. parent, grandparent, etc., or in the second degree of the collateral line, i.e. brother and sister, legitimate, natural, or adoptive.

2. Impediments of Ecclesiastical Law that a diocesan bishop or local Ordinary may dispense:

- A) **Disparity of Worship/Cult:** Is required for a marriage between a Catholic and a non-baptized person.
- B) **Perpetual Vow of Chastity:** If the person is a member of a religious institute of *diocesan* right, not pontifical right.
- C) **Abduction:** A marriage between a man and a woman whom he abducts or detains in order to marry.
- D) **Consanguinity:** Blood relationships in the collateral line.
- E) **Affinity:** Marrying someone who became a relative of the person through a valid marriage to some family member and is now free to marry, never in the direct line, in any degree.
- F) **Public Propriety:** A man/woman cannot marry a woman/man related by consanguinity in the first degree of the direct line to the woman/man he/she lived with together in an invalid marriage or in a notorious or public concubinage.

3. Impediments of Ecclesiastical Law that only the Holy See may dispense:

- A) **Sacred Orders**
- B) **Perpetual Vow of Chastity:** In a religious institute of pontifical right.
- C) **Crime:** Murdering one's spouse or someone else's in view of marriage, or any mutual physical or moral action that causes the death or either's spouse to marry the surviving spouse.

Reception of Sacraments of Initiation Prior to Marriage

A **marriage** is sacramental when both spouses are baptized validly. A marriage between a baptized person and an unbaptized person (or between two unbaptized persons) is not a sacrament, but presumed to be valid. A prior marriage of two non-Catholics is also presumed to be valid.

- A) **Baptism** of at least one of the spouses is required.
- B) **Confirmation** prior to marriage is highly encouraged, if possible, but not required.
- C) **Eucharist** and **Penance** reception is to be encouraged.

Types of marriage ceremonies from the Order of Celebrating Matrimony:

Celebration of Marriage:

- A) **During Mass:** Normally for two Catholics. May also be for a Catholic and a validly *baptized* non-Catholic provided that, according to the general law, Communion is not given to the non-Catholic.
- B) **Outside Mass:** Always for a marriage between a Catholic and an unbaptized person. (Only use the rite for unbaptized).

Other Important Information

1. **Rite:** If the groom and/or bride are Eastern Catholic, please contact the Chancery.
2. **Canonical Form:** Catholics are to be married before a properly delegated Catholic priest or deacon and two witnesses, in a church. Dispensations to marry outside the church when only one is Catholic may be granted.
3. **Dispensation/Permission/Delegation:** Obtain any permission/dispensation from the Catholic bishop in whose diocese the Catholic groom/bride lives, regardless of where the marriage ceremony will occur. Please keep record in the file.
 - If a Catholic is marrying a non-baptized person, obtain a *dispensation* from Disparity of Worship/Cult.
 - If a Catholic is marrying a (validly) baptized non-Catholic, obtain a *permission* for a Mixed Marriage.
 - If a Catholic will be married by a non-Catholic officiant, obtain a dispensation from canonical form and if needed a dispensation from the place of celebration.
 - If officiating at a marriage of two Catholics and neither is your parishioner, obtain permission from the Catholic's proper pastor.
 - If officiating at a marriage outside your assigned parish, obtain delegation from that pastor, associate pastor, or local Ordinary.
4. **Forbidden:** It is forbidden for the Catholic assistant in a religious celebration of marriage and the non-Catholic minister, each performing his own rite, to ask together for the consent of the parties.
5. **Documents:**
 - A) For a baptized Catholic, obtain a recent Baptismal certificate (or Profession of Faith certificate if applicable) issued within the last 6 months, with any sacramental notations listed.
 - B) For a (validly) baptized non-Catholic, obtain proof of baptism.
 - C) For anyone with a prior marriage whose spouse died, obtain a certificate of death. If applicable, obtain a copy of decree of declaration of nullity/dissolution granted by a Catholic Church tribunal.
6. **Marriage File:** The marriage file is stored *normally* in the parish where the marriage with canonical form occurred (other situations may arise, i.e. the marriage takes place at a university chapel, hospital, etc.). When the marriage ceremony occurred with a dispensation for lack of canonical form, the marriage file is stored in the parish where the prenuptial investigation and the request for dispensation from canonical form occurred. If the marriage ceremony is to occur outside the Archdiocese, the marriage file is to be sent to the Chancery. Keep a copy.
