**STATE OF DELAWARE
The Civil Union and Equality Act of 2011
Effective January 1, 2012**

In accordance with Delaware law, insurers are required to provide the following notice to applicants of insurance policies issued in Delaware.

The Civil Union and Equality Act of 2011 ("the Act") creates a legal relationship between two persons of the same sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Delaware to spouses in a legal marriage. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Delaware law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to Chapter 2 of Title 13 of the Delaware Code or the State of Delaware website at www.delaware.gov/CivilUnions.

Georgia

The laws of the state of Georgia prohibit insurers from unfairly discriminating against any person based upon his or her status as a victim of family abuse.

Effective June 1, 2011**

In accordance with Illinois law, insurers are required to provide the following notice to applicants of insurance policies issued in Illinois.

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance's website at www.insurance.illinois.gov.

Continuity from a Prior Policy: *Is there continuity of coverage from a Prior Policy? Not Applicable To Retirees.*

Your initial coverage under The Policy will begin, and will not be deferred if on the day before the Policy Effective Date, You were insured under the Prior Policy, but on the Policy Effective Date, You were not Actively at Work, and would otherwise meet the Eligibility requirements of The Policy. However, Your Amount of Insurance will be the lesser of the amount of life insurance:

- 1) You had under the Prior Policy; or
- 2) shown in the Schedule of Insurance;

reduced by any coverage amount:

- 1) that is in force, paid or payable under the Prior Policy; or
- 2) that would have been so payable under the Prior Policy had timely election been made.

Such amount of insurance under this provision is subject to any reductions in The Policy and will not increase.

Coverage provided through this provision ends on the first to occur of:

- 1) the last day of a period of 12 consecutive months after the Policy Effective Date;
- 2) the date Your insurance terminates for any reason shown under the Termination provision;
- 3) the last day You would have been covered under the Prior Policy, had the Prior Policy not terminated; or
- 4) the date You are Actively at Work.

However, if the coverage provided through this provision ends because You are Actively at Work, You may be covered as an Active Employee under The Policy.

Termination: *When will my coverage end? Not applicable to Retirees*

Your coverage will end on the earliest of the following:

- 1) the date The Policy terminates;
- 2) the date You are no longer in a class eligible for coverage, or The Policy no longer insures Your class;

- 3) the date the premium payment is due but not paid;
 - 4) the date Your Employer terminates Your employment; or
 - 5) the date You are no longer Actively at Work;
- unless continued in accordance with any one of the Continuation Provisions.

Continuation Provisions: *Can my coverage be continued beyond the date it would otherwise terminate?*

Coverage can be continued by Your Local Employer beyond a date shown in the Termination provision, if Your Local Employer provides a plan of continuation which applies to all employees the same way.

The amount of continued coverage will be the amount of coverage in effect on the date immediately before coverage would otherwise have ended. Continued coverage:

- 1) is subject to any reductions in The Policy;
- 2) is subject to payment of premium;
- 3) may be continued up to the maximum time shown in the provisions; and
- 4) terminates if The Policy terminates.

In no event will the amount of insurance increase while coverage is continued in accordance with the following provisions. The Continuation Provisions shown below may not be applied consecutively.

In all other respects, the terms of Your coverage remain unchanged.

Leave of Absence: If You are on a documented leave of absence, other than Family and Medical Leave or Military Leave of Absence, Your coverage may be continued for 6 month(s) after the month in which the leave of absence commenced. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

Military Leave of Absence: If You enter active military service and are granted a military leave of absence in writing, Your coverage may be continued for up to 12 weeks. If the leave ends prior to the agreed upon date, this continuation will cease immediately.

Disability Insurance: If You are working for the Policyholder and:

- 1) are covered by; and
- 2) meet the definition of disabled under;

a Group Disability Insurance Policy, issued by Us to Your Local Employer, Your coverage may be continued until the last day of the 12th month after the month in which You became disabled, as defined in the Group Disability Insurance Policy.

Sickness or Injury: If You are not Actively at Work due to sickness or injury, all of Your coverages may be continued:

- 1) for a period of 6 consecutive month(s) from the date You were last Actively at Work; or
- 2) if such absence results in a leave of absence in accordance with state or federal family and medical leave laws, then the combined continuation period will not exceed 6 consecutive month(s).

Family and Medical Leave: If You are granted a leave of absence, in writing, according to the Family and Medical Leave Act of 1993, or other applicable state or local law, Your coverage(s) may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by other applicable law, following the date Your leave commenced. If the leave of absence ends prior to the agreed upon date, this continuation will cease immediately.

Waiver of Premium: *Does coverage continue if I am Disabled?*

Waiver of Premium is a provision which allows You to continue Your Life Insurance coverage without paying premium, while You are Disabled and qualify for Waiver of Premium.

If You qualify for Waiver of Premium, the amount of continued coverage:

- 1) will be the amount in force on the date You cease to be an Active Employee;
- 2) will be subject to any reductions provided by The Policy; and
- 3) will not increase.

Eligible Coverages: *What coverages are eligible under this provision?*

This provision applies only to Your Basic Life Insurance.

You are not eligible to apply for both the Portability Benefit and Waiver of Premium for the same coverage amount for You.

Disabled: *What does Disabled mean?*

Disabled means You are prevented by injury or sickness from doing any work for wage or profit for which You are, or could become, qualified by:

- 1) education;
- 2) training; or
- 3) experience.

In addition, You will be considered Disabled if You have been diagnosed with a life expectancy of 12 months or less.

Conditions for Qualification: *What conditions must I satisfy before I qualify for this provision?*

To qualify for Waiver of Premium You must:

- 1) be covered under The Policy and be under age 65;
- 2) be Disabled and provide Proof of Loss that You have been Disabled for 12 consecutive month(s), starting on the date You were last Actively at Work; and
- 3) provide such proof within one year of Your last day of work as an Active Employee.

In any event, You must have been Actively at Work under The Policy to qualify for Waiver of Premium.

When Premiums are Waived: *When will premiums be waived?*

If We approve Waiver of Premium, We will notify You of the date We will begin to waive premium. In any case, We will not waive premiums for the first 6 month(s) You are Disabled. We have the right to:

- 1) require Proof of Loss that You are Disabled; and
- 2) have You examined at reasonable intervals during the first 2 years after receiving initial Proof of Loss, but not more than once a year after that.

If You fail to submit any required Proof of Loss or refuse to be examined as required by Us, then Waiver of Premium ceases.

However, if We deny Waiver of Premium, You may be eligible to:

- 1) continue coverage under the Portability Benefit; or
- 2) convert coverage in accordance with the Conversion Right.

If You cease to be Disabled and return to work for a total of 5 days or less during the first 6 month(s) that You are Disabled, the 6 month waiting period will not be interrupted. Except for the 5 days or less that You worked, You must be Disabled by the same condition for the total 6 month period. If You return to work for more than 5 days, You must satisfy a new waiting period.

Benefit Payable before Approval of Waiver of Premium: *What if I die before I qualify for Waiver of Premium?*

If You die within one year of Your last day of work as an Active Employee, but before You qualify for Waiver of Premium, We will pay the Amount of Life Insurance which is in force for You provided:

- 1) You were continuously Disabled;
- 2) the Disability lasted or would have lasted 6 months or more; and
- 3) premiums had been paid for coverage.

Waiver Ceases: *When will Waiver of Premium cease?*

We will waive premium payments and continue Your coverage, while You remain Disabled.

What happens when Waiver of Premium ceases?

When the Waiver of Premium ceases:

- 1) if You return to work in an Eligible Class, as an Active Employee, then You may again be eligible for coverage as long as premiums are paid when due; or
- 2) if You do not return to work in an Eligible Class, coverage will end and You may exercise the Conversion Right if You do so within the time limits described in such provision. The Amount of Life Insurance that may be converted will be subject to the terms and conditions of the Conversion Right. Portability will not be available.

Effect of Policy Termination: *What happens to the Waiver of Premium if The Policy terminates?*

If The Policy terminates before You qualify for Waiver of Premium:

- 1) You may exercise the Conversion Right, provided You do so within the time limits described in such provision; and
- 2) You may still be approved for Waiver of Premium if You qualify.

If The Policy terminates after You qualify for Waiver of Premium, Your coverage under the terms of this provision will not be affected.

BENEFITS

Life Insurance Benefit: *When is the Life Insurance Benefit payable?*

If You die while covered under The Policy, We will pay Your Life Insurance Benefit after We receive Proof of Loss, in accordance with the Proof of Loss provision.

The Life Insurance Benefit will be paid according to the General Provisions of The Policy.

Accelerated Benefit: *What is the benefit? This benefit is not available for Retirees.*

In the event that You are diagnosed as Terminally Ill while You are:

- 1) covered under The Policy for an Amount of Life Insurance of at least \$10,000; and
- 2) under Normal Retirement Age;

We will pay the Accelerated Benefit in a lump sum amount as shown below, provided We receive proof of such Terminal Illness.

The Accelerated Benefit will not be available to You unless You have been Actively at Work under The Policy.

You must request in writing that a portion of Your Amount of Life Insurance be paid as an Accelerated Benefit.

The Amount of Life Insurance payable upon Your death will be reduced by any Accelerated Benefit Amount paid under this benefit. There will be no effect on premium due after the Accelerated Benefit Amount is paid under this benefit. Any premium required will be based on the amount of Your life insurance remaining after the Accelerated Benefit is paid under this benefit.

You may request a minimum Accelerated Benefit amount of 25% of the Amount of Insurance or \$50,000 if less, and a maximum of \$500,000. However, in no event will the Accelerated Benefit Amount exceed 80% of Your Amount of Life Insurance. This option may be exercised only once.

For example, if You are covered for a Life Insurance Benefit Amount under The Policy of \$100,000 and are Terminally Ill, You can request any portion of the Amount of Life Insurance Benefits from \$25,000 to \$80,000 to be paid now instead of to Your beneficiary upon death. However, if You decide to request only \$25,000 now, You cannot request the additional \$55,000 in the future.

A person who submits proof satisfactory to Us of his or her Terminal Illness will also meet the definition of Disabled for Waiver of Premium.

Any benefits received under this benefit may be taxable. You should consult a personal Tax Advisor for further information.

In the event:

- 1) You are required by law to accelerate benefits to meet the claims of creditors; or
- 2) if a government agency requires You to apply for benefits to qualify for a government benefit or entitlement;

You will still be required to satisfy all the terms and conditions herein in order to receive an Accelerated Benefit.

If You have executed an assignment of rights and interest with respect to Your Amount of Life Insurance, in order to receive the Accelerated Benefit, We must receive a release from the assignee before any benefits are payable.

Terminal Illness or Terminally Ill means a life expectancy of 12 months or less.

Proof of Terminal Illness and Examinations: *Must proof of Terminal Illness be submitted?*

We reserve the right to require satisfactory Proof of Terminal Illness on an ongoing basis. Any diagnosis submitted must be provided by a Physician.

If You do not submit proof of Terminal Illness satisfactory to Us, or if You refuse to be examined by a Physician, as We may require, then We will not pay an Accelerated Benefit.

No Longer Terminally III: *What happens to my coverage if I am no longer Terminally III?*

If You are diagnosed by a Physician as no longer Terminally III and:

- 1) return to an Eligible Class, coverage will remain in force, provided premium is paid;
- 2) do not return to an Eligible Class, but You continue to meet the definition of Disabled, coverage will remain in force, subject to the Waiver of Premium provision; or
- 3) are not in an Eligible Class, but You do not continue to meet the definition of Disabled, coverage will end and You may be eligible to exercise the Conversion Right, if You do so within the time limits described in such provision.

In any event, the amount of coverage will be reduced by the Accelerated Benefit paid. In addition, any amount paid as an Accelerated Benefit is not available for conversion. Please see the Conversion Right provisions.

Conversion Right: *If coverage under The Policy ends, do I have a right to convert?*

If Life Insurance coverage or any portion of it under The Policy ends for any reason, You have the right to convert the coverage that terminated to an individual conversion policy without providing Evidence of Insurability. Such reasons for the Life Insurance coverage ending include, but are not limited to termination of employment, termination of The Policy or change in classes eligible for insurance. Conversion is not available for any Amount of Life Insurance for which You were not eligible and covered under The Policy.

This right to convert also applies if Your Amount of Life Insurance reduces:

- 1) due to a change in class of persons covered under The Policy; or
- 2) due to an amendment to The Policy.

The amount that may be converted is limited to the amount of group coverage in force prior to termination, less any amount of group coverage remaining in force under The Policy, subject to the provisions outlined below.

If coverage under The Policy ends because The Policy is terminated, the amount which may be converted is limited to the Life Insurance Benefit under The Policy less any Amount of Life Insurance for which You may become eligible under any group life insurance policy issued or reinstated within 45 days of termination of group life coverage.

If coverage under The Policy ends for any other reason, the full amount of coverage which ended may be converted.

If this conversion right applies due to a reduction in the Amount of Insurance, then the amount of the insurance that may be converted will equal the amount by which the benefit is reduced.

Insurer, as used in this provision, means Us or another insurance company which has agreed to issue conversion policies according to this Conversion Right.

Conversion: *How do I convert my coverage?*

You will be given notice of the conversion privilege within 15 days before or after the terminating event which results in the conversion option. If such notice is not given, You will have an additional period in which to exercise conversion rights. If notice is given more than 15 days but fewer than 90 days after the terminating event, this additional period will end 45 days following the date You are given notice of the right to convert. Written notice of conversion rights will be presented to You or mailed by the Local Employer or Us to the last known address.

If notice is not given within 90 days after the terminating event, the conversion election period will terminate at the end of 90 days.

To convert Your coverage You must:

- 1) complete a Notice of Conversion Right form; and
- 2) have Your Local Employer sign the form.

The Insurer must receive this within:

- 1) 31 days after Life Insurance terminates or during any required extension of the conversion election period as noted above; or
- 2) 15 days from the date Your Local Employer signs the form;

whichever is later.

Any individual policy issued to You under the Conversion Right:

- 1) will be effective as of the date group coverage under The Policy ends and is not continued or if the conversion election period is extended as noted above, the date the Insurer received the completed Notice of Conversion Right form; and

- 2) will be in lieu of coverage for this amount under The Policy.

Conversion Policy Provisions: *What are the Conversion Policy provisions?*

The Conversion Policy will:

- 1) be issued on any one of the Life Insurance policy forms then customarily issued by the Insurer, except term insurance; and
- 2) base premiums on the Insurer's rates in effect for new applicants of Your class and age at the time of conversion.

The Conversion Policy will not provide:

- 1) the same terms and conditions of coverage as The Policy;
- 2) any benefit other than the Life Insurance Benefit.

At Your option, the Conversion Policy may be preceded by a one year term insurance policy subject to the same conditions and a premium payable in any mode customarily offered by the Insurer.

If Your insurance terminates due to Your total and permanent disability, You may elect any one of the Life Insurance policy forms, including term insurance, customarily issued by the Insurer, subject to the same conditions, at the end of the one year period. At Your option, the Conversion Policy may be preceded by a one year term insurance policy subject to the same conditions.

The Conversion right is available for any Amount of Life Insurance which was, or is being, continued:

- 1) in accordance with the Waiver of Premium provision;
- 2) under a certificate of insurance issued in accordance with the Portability provision; or
- 3) in accordance with the Continuation Provisions.

If Conversion is elected, then coverage continued as outlined above will terminate.

The Incontestability provision for the amount converted does not start anew.

Death within the Conversion Period: *What if I die before coverage is converted?*

We will pay Your Amount of Life Insurance You would have had the right to apply for under this provision if:

- 1) coverage under The Policy terminates; and
- 2) You die within 31 days of date coverage terminates or during any required extension of the conversion election period as noted above; and
- 3) We receive Proof of Loss.

If the Conversion Policy has already taken effect, no Life Insurance Benefit will be payable under The Policy for the amount converted.

The Conversion Right is available to You at any time while Your Portability Coverage is in effect, or when the Portability coverage ends.

Effect of Waiver of Premium on Conversion: *What happens to the Conversion Policy if Waiver of Premium is later approved?*

If You apply and are approved for Waiver of Premium after an individual Conversion Policy has been issued, any benefit payable at Your death under The Policy will be paid only if the individual Conversion Policy is surrendered. The Insurer will refund the premium paid for such Conversion Policy.

Portability Benefits: *What is Portability?*

Portability is a provision which allows You to continue coverage under a Group Portability policy when coverage would otherwise end due to certain Qualifying Events.

Qualifying Events: *What are Qualifying Events?*

Qualifying Events for You are:

- 1) Your employment terminates for any reason prior to Normal Retirement Age; or
- 2) Your membership in an Eligible Class under The Policy ends.

Electing Portability: *How do I elect Portability?*

You may elect Portability for Your coverage after Your Basic Life Insurance coverage ends because You had a Qualifying Event. The Policy must still be in force in order for Portability to be available. Portability will not be available to You unless You have been Actively at Work under The Policy.

You will be given notice of the Portability provision within 15 days before or after the terminating event which results in the Portability option. If such notice is not given, You will have an additional period in which to exercise Portability rights. If notice is given more than 15 days but fewer than 90 days after the terminating event, this additional period will end 45 days following the date You are given notice of the right to elect Portability. Written notice of the Portability option will be presented to You or mailed by the Local Employer or Us to the last known address.

If notice is not given within 90 days after the terminating event, the Portability election period will terminate at the end of 90 days.

To elect Portability for Yourself, You must:

- 1) complete and have Your Local Employer sign a Portability application; and
- 2) submit the application to Us, with the required premium.

This must be received within:

- 1) 31 days after Life Insurance terminates; or
- 2) 15 days from the date Your Local Employer signs the application;

whichever is later. However, Portability requests will not be accepted if they are received more than 91 days after Life Insurance terminates.

After We verify eligibility for coverage, We will issue a certificate of insurance under a Portability policy. The Portability coverage will be:

- 1) issued without Evidence of Insurability;
- 2) issued on one of the forms then being issued by Us for Portability purposes; and
- 3) effective on the day following the date Your coverage ends.

The terms and conditions of coverage under the Portability policy will not be the same terms and conditions that are applicable to coverage under The Policy.

The Incontestability provision for the amount elected under this Portability provision does not start anew.

Limitations: *What limitations apply to this benefit?*

You may elect to continue 50%, 75%, or 100% of the Amount of Life Insurance which is ending for You. This amount will be rounded to the next higher multiple of \$1,000, if not already a multiple of \$1,000. However, the Amount of Life Insurance that may be continued will not exceed \$250,000 for You.

If You elect to continue 50% or 75% now, You may not continue any portion of the remaining amount under this Portability provision at a later date. In no event will You be able to continue an Amount of Life Insurance which is less than \$5,000.

Portability is not available for any Amount of Life Insurance for which You were not eligible and covered.

In addition Portability is not available if You are entering active military service.

Effect of Portability on other Provisions: *How does Portability affect other Provisions?*

Portability is not available for any Amount of Life Insurance which was, or is being, continued in accordance with the:

- 1) Conversion Right;
- 2) Waiver of Premium provision; or
- 3) Continuation provisions;

under The Policy. However, if:

- 1) You elect to continue only a portion of terminated coverage under this Portability provision; or
- 2) the Amount of Life Insurance exceeds the maximum Portability amount;

then the Conversion Right will be available for the remaining amount.

The Waiver of Premium provision will not be available if You elect to continue coverage under this Portability provision.

The Conversion Right is available to You at any time while Your Portability Coverage is in effect, or when the Portability coverage ends.
