

PRECATECHUMENATE, TECHNOLOGY AND THE PANDEMIC

*Forum on the Catechumenate
for Christian Initiation Ministers*

Saturday, November 14

ENGLISH: 8:50 a.m. – 12:00 p.m. SPANISH: 12:50 p.m. – 4:00 p.m.

VIRTUAL GATHERING

Using technology in initiation ministry has quickly become the norm. How can we best use computers, smart phones, and social media during this pandemic? This virtual gathering will help participants view their ministry through a digital lens and provide practical ways to engage catechumens, candidates, and the entire parish community.

Additionally, we will examine the Period of the Precatechumenate during these difficult times. RCIA #36 states that this is a time “of great importance” and it “should not be omitted.” How can we “go out” and make disciples when getting out may not be possible? How can we ensure that “evangelize” remains an action verb during these uncertain times?

Let us come together and interpret the rite in light of our current situation.
