Petitioner Information Form

Dear Petitioner,

As you begin preparing the **Petitioner Information Form**, would like to remind you that the purpose of this application is formally to request that the Metropolitan Tribunal initiate an investigation to clarify whether or not you are bound by a previous marriage according to the teaching and law of the Roman Catholic Church. This form and the other required documents (see Checklist) will begin a formal canonical process to resolve the question concerning this marriage. The enclosed Petition, together with the required documents and your sworn testimony, as well as that of your former spouse and witnesses, will provide the basis by which the Tribunal Judges make a decision.

This Information Form is divided into four sections:

- The **first section** asks basic information regarding you (the Petitioner), about your former spouse (the Respondent), and about your courtship and marriage.
- The **second section** is to be completed **only if you cannot locate your former spouse** after trying the sources and avenues available to you.
- The **third section** contains a series of questions that will help the Tribunal understand the circumstances related to your marriage. This section also contains information, which will help you in proposing the reason or basis for the Tribunal to examine the validity of your marriage to the Respondent. Lastly, this section contains the Petition itself which is the official document required to open the investigation for a possible declaration of invalidity.
- The **final section** asks for the names and complete addresses of witnesses who can be cited by the Tribunal and asked to come in to give testimony about the marriage in question. **The last page of this document is a checklist of what is required for you to submit to the Tribunal.**

If you would like assistance in completing this form, please speak with a Priest or Deacon at the Parish. Once it is complete, please mail it and the required documents to the Tribunal office. The Tribunal will then notify you of the next steps in the process. In order for the process to run smoothly, it is important that you keep us informed of any change in address for you, your former spouse or your witnesses. Should you have any questions or concerns, please contact the Tribunal.

If, after receiving your Petition and documentation, it is discovered that you have a special case, which might be better addressed, by another type of process, you will be contacted by the Tribunal to explain the options available to you.

The Tribunal cannot guarantee the outcome of the case nor provide a timeframe for its completion; **please do NOT set a date for a wedding** until you have the final decree in hand from the Tribunal.

It is important to note that due to the COVID crisis and personnel shortages, the process can take **2 years or, for difficult cases, possibly longer.**

J.C.L. Judicial Vicar

Preparation of Your Petition

The following pages contain several brief questions, which will help the Tribunal to propose grounds for nullity. These questions may also guide you in your understanding of possible grounds. Please answer these questions in the brief space provided below. The Tribunal Judges will determine the actual ground(s) for the case, usually after hearing from the Respondent, and will then inform you.

Please remember that it is not necessary to go into detail in answering the following questions. These are preliminary questions only, and you will have the opportunity later to give in-depth answers to questions relevant to your case before a Judge.

Please remember: if your marriage was later convalidated or “blessed” in the Catholic Church, these

questions refer to the time of that convalidation or “blessing,” and not to the civil wedding.

Preparing Your Petition

The “Petition” is at the end of this section. It contains basic information required by Canon Law. It contains a section in which you are asked to write a very brief description of why you think the marriage was not valid and binding from the beginning. There are a limited number of grounds or legal bases for considering the validity of marriage. The following descriptions of the most common of these grounds may help you to prepare your brief statement. The Tribunal is not concerned with pointing fingers or finding moral fault with either spouse, but with learning the truth of the marriage. Any basis or circumstance for a declaration of invalidity must have existed from the very beginning of the marriage, that is, on the wedding day (or the day of convalidation or “blessing”).

Please indicate whether or not the following existed on the day of the wedding:

[Please be advised that the following are NOT grounds for invalidity:

Immaturity, incompatibility, lack of communication, infirmity after the fact, infidelity, later onset addictions, wrong choice of spouse, or post-marital trauma (e.g., the death of a child).]

- ☐ **If at the time of your wedding you did not hold that your marriage would be an exclusive union...** that is one or both of you considered the marriage “open” or considered it acceptable to have other sexual partners during your future marriage, you could write, “an intention against fidelity.”
- ☐ **If at the time of the wedding one or both of you decided to exclude the possibility of having children** during the duration of your marriage, or if you and/or the other party mutually or unilaterally decided to postpone having children until some indeterminate time or condition was met, or if you always used some means of contraception to prevent pregnancy, you could write, “the exclusion of children.”
- ☐ **If there was a pre-marital pregnancy...** If the fact or suspicion of a pre-marital pregnancy caused the decision to marry this might be a factor. Did you feel pressured to marry because of the pregnancy, whether it was internal pressure or pressure from someone else? If so, you could write, “pressure to marry because of pregnancy.”
- ☐ **If at the time of the wedding there were serious problems with addictions...** If the problems affected one or both of you in your decision making ability, or in your ability to function normally, or if they prevented one or both of you from being able to fulfill the basic obligations of marriage, you could write, “alcohol (and/or drug) abuse which prevented fulfilling the basic obligations of marriage,” or “alcohol (and/or drug) abuse which prevented sound decision-making at the time of marriage.” It is important to state when the addiction started. **Please note, the use of this ground on either party will require a psychological/psychiatric evaluation by a tribunal appointed doctor at your expense, to be paid directly to the doctor (approx. \$600).**
- ☐ **If psychological/psychiatric illness affected the party(ies) or marriage...** A person must be capable of living out the commitment of marriage, including being a spouse and a parent, even with illness. If serious psychiatric illness prevented either you or your former spouse from understanding or fulfilling the basic obligations of marriage, you could write, “serious psychiatric or psychological illness which prevented the fulfillment of the basic obligations of marriage.” **Please note, the use of this ground on either party will require a psychological/psychiatric evaluation by a tribunal appointed doctor at your expense, to be paid directly to the doctor (approx. \$300-\$450).** Other medical proofs may also be necessary.
- ☐ **If fraud led to the marriage...** If you or your former spouse had been told a lie in order to convince you to marry, or if something important was intentionally concealed in order to get you to marry, you could write, “fraud intended to lead to marriage.”
- ☐ **If at the time of your marriage, you or your former spouse did not hold that your marriage was “until death”...** If in fact you or your former spouse excluded from your marriage all probability of marital permanence, you can write, “exclusion of the permanence of marriage.”

- ☐ **If homosexuality was an issue in the marriage...** Homosexuality is not a ground of invalidity in itself, but confusion over sexuality and self-image can prevent or interfere with the marital relationship and marital intimacy. If this was a factor in the marriage, you could write, “inability to fulfill the obligations of a (husband/wife) because of homosexuality.” It is important to include whether homosexual feelings or confusion existed prior to the marriage, how soon into the marriage this became a problem, and whether the marriage ended principally because of homosexuality.
- ☐ **If you did not intend to marry at all...** Sometimes a couple will go through a legal or religious marriage ceremony for a reason connected with immigration, insurance, or finances, and not out of the idea of marriage itself. In other words, they were pretending to marry. If such was the case in this marriage, you could write, “simulation of marriage for reasons of (immigration/insurance/____).”
- ☐ **If one or both of you entered this marriage against your will...** If either spouse, or both, did not agree to marry freely but because of some force, or out of fear (even a deep-seated fear of displeasing someone important to you such as a parent or clergyman), you could write, “force (or fear) to enter marriage.” This might apply also if the marriage was arranged (as happens in some cultures) and you or your spouse did not want to marry.
- ☐ **Error of person or error quality principally and directly intended...** If your former spouse falsified his or her identity at the time of marriage, such that you thought you were marrying a different person, you could write, “error of person.” If in choosing to marry your former spouse you were actually focused primarily on some quality that you thought the other had (i.e., she is a doctor, he is a vegetarian), but later discovered that he or she was not, and **you or the Respondent desired that quality more than marriage itself**, you could write, “error principally and directly intended,” also indicating the quality about which you were in error.
- ☐ **Condition...** If you placed any condition on the marriage—either concerning the past, present or future, you could write, “past/present/future condition,” also indicating what the condition concerned and whether or not the condition was actually fulfilled.

ATTENTION!!

Witnesses

It is **absolutely** necessary to provide the names and complete addresses of **several** witnesses (preferably at least four) who can support the grounds of your case. The best witnesses are friends, co-workers, family members, roommates, or others who knew both you and the Respondent before and during the marriage. Please contact your witnesses personally and inform them that you will give their names and addresses to the Tribunal. If you do not contact them, they may be surprised and even angered when the Tribunal cites them. Their refusal to answer questions can seriously delay or affect the outcome of your case.

Please apprise the witnesses of the following:

- 1) They must appear in person to testify about their knowledge of the marriage
- 2) Their interview should preferably be on the same day as your own interview with the Judge. You are responsible for coordinating this with your witnesses.

Testimony is taken Monday - Friday during normal business hours in accordance with the judge's schedule.

Witnesses who do not live within the Archdiocese will be given the opportunity to provide testimony in the Tribunal of their local diocese. **Neither "telephone testimony" nor written statements are permitted to take the place of oral testimony.**

Testimony can be taken via **Skype/ FaceTime/ WhatsApp/ Zoom**. To do so, you must contact the Metropolitan Tribunal at tribunal@archny.org for procedures and rules to verify that you qualify.

Did you see a Medical Doctor or other health professional (about issues related to this marriage) within the past 5 years?

☐ No ☐ Yes, I did, without the Respondent ☐ Yes, we did together ☐ Yes, the Respondent did, without me

If yes to any of the above, would you be willing to sign a Release from Confidentiality Form to allow that person to offer testimony that is relevant to your case (if the Tribunal considers it necessary and helpful to the case)?

PLEASE NOTE THAT IF THE RESPONDENT WAS SEEN WITH YOU OR INDIVIDUALLY, IT WILL BE NECESSARY FOR THE RESPONDENT TO SIGN A RELEASE AND AUTHORIZATION FOR A PROFESSIONAL WITNESS TO OFFER TESTIMONY.

If psychiatric or psychological illness played a role in the problems that existed at the time of this marriage, it will be helpful to the case if you submit certified (notarized) copies of any medical or hospital records in your possession which show a diagnosis and treatment dates. If physical abuse was present in the marriage, it will be helpful to submit certified (notarized) copies of any records in your possession regarding this, such as medical, hospital, or police records. **Photocopies of records, which are not notarized, will not be accepted.** Only original documents or notarized copies of the originals will be accepted by the Tribunal.

Pastor/Parochial Vicar (applicable to Catholics only)

If you are Catholic, please arrange to meet with your pastor/associate vicar to discuss the application/petition prior to submission.

I have met with the petitioner and confirm the following:

- ☐ I confirm that I have read the Petition on page 16.
- ☐ I confirm that the box in the middle of the Petition contains canonical grounds for nullity as listed on pgs 14-15.
- ☐ I confirm that the petitioner has signed and dated the petition.

1011 First Avenue, New York, NY 10022
(212) 371-1000 Extension 3200

POLICY STATEMENT

I, _____, the Petitioner, understand that:

- A declaration of nullity cannot be issued unless I have provided evidence sufficient to overcome the presumption of validity of my marriage.
- My submitting the Petition does not guarantee that a declaration of nullity will be granted.
- The other party (respondent) has the right to know why I allege our marriage is invalid and will receive a copy of my Petition; furthermore, she/he will be invited to participate in these proceedings and all his/her rights will be protected as well as mine, including the right to inspect the Acts of the case (declarations, testimonies, etc.)
- **I cannot set (even tentatively) a date for marriage or validation** in the Catholic Church until the nullity of the previous marriage/s has/have been established with certainty according to the laws of the Church. I understand that due to the COVID crisis and personnel shortages, the process can take **2 years or, for difficult cases, possibly longer**.
- No assurance of the outcome or the time it will take to complete the process can be given.
- If there is a judgment granting the declaration of nullity, it may contain a clause delaying or restricting permission to remarry in the Church.
- If the grounds on either myself or the respondent are psychological in nature and require a psychological/psychiatric evaluation, **I am fully responsible for all fees** charged by a tribunal appointed doctor. In addition, these **fees are to be paid directly to the doctor** (approx. \$700).

I hereby certify that:

- I have contacted the witnesses whose names and addresses I have supplied, and they agree to participate.
- I understand that I am not to discuss the facts of my case with them.
- I have kept a photocopy of the materials I am submitting.

And I swear to the truthfulness of the evidence I am submitting.

CONFIDENTIALITY AGREEMENT

I _____, the Petitioner in this case, understand that this trial is being conducted in accordance with the Canon Law of the Roman Catholic Church, and that these proceedings are of a purely spiritual and religious nature, and that I am being given the opportunity to review the documents, testimony, and procedural acts of the case not known to me for the sole purpose of assisting me in the effective exercise of my rights before the Tribunal. To that end, I affirm that I shall make no copies or recordings of information or conversations regarding my case. I promise not to use information that I may learn through this case in any other forum or for any other purpose.
- 3) I promise not to discuss, publish, or disseminate through any means the information that I may learn here. I promise not to make use of this information in any way other than to prepare and argue my case before the tribunals of the Catholic Church. In all other places and for all other purposes I agree to keep all information I shall learn from this case confidential.
- 4) I understand that there may be expert reports and reviews, including psychological or other evaluations, that may be created or submitted in connection with this case, and I hereby intentionally waive any and all right to review them or have any form of access to them for any purpose.
- 5) I recognize that if I should violate or threaten to violate this agreement, I consent to the authority of the tribunal of the Archdiocese of New York to impose any penal remedy, penance, and/or penalty for this offense, as permitted by the canon law of the Church, and to seek relief or remedy in any court of law or equity.
- 6) I assume in perpetuity any responsibility for damage inflicted to others by my intentional or negligent release of information learned through this case and agree to hold harmless from such damages the Archdiocese of New York as well as all persons who have offered testimony or documents in this case, and all officers and agents of the Metropolitan Tribunal of the Archdiocese of New York.

I acknowledge that I have read the above provisions of this agreement and policy, and I fully understand them, and I further freely agree to abide by them now and in the future. I do so solemnly attest before God and my conscience.
