ARCHDIOCESE *of* NEW YORK
Faith-Based.Future-Focused.

2021–2022 CATHOLIC HIGH SCHOOL LISTING

Choosing a high school is one of the most important decisions students and their parents will make. The 43 Catholic high schools in the Archdiocese of New York all provide quality academic education in environments formed by the faith and values of the Catholic Church.

Each high school in the Archdiocese of New York is a supportive learning community directed by administrators and faculty members who help students grow to understand themselves, their relationship with God and their relationships with others. Students develop the skills they will need to succeed in higher education and a wide range of careers. They are encouraged to participate in activities which serve the communities in which they live and the Church in which they worship.

This booklet will help families find the Catholic secondary school best suited for their children. It contains basic information about each high school including web sites and the dates of their Open Houses. These will provide opportunities to obtain more detailed information about individual schools. Our high schools are prepared to offer Virtual Open Houses if needed. **Due to COVID-19 all attendees will be asked to follow CDC rules and regulations.**

Admission to Catholic high schools is based on student records and performance on the Test for Admission into Catholic High Schools (TACHS). Details about the TACHS examination process as well as the dates for application are found on the back cover of this flyer.
