### Family Life Office launches last phase of Spanish Marriage Prep Registration System

The Family Life Office has launched the final phase of the Spanish Marriage Preparation registration system that was planned for the full unification of the English and Spanish MP programs. What that means is that when couples register for Spanish Marriage Prep, it is more similar to the registration system in English, and it allows couples to complete all the program components in one place. This initiative also allows the Family Life Office to operate one unified system instead of two separate programs.

As with any new system, there will be some post-launch debugging and growing pains that will take place, and the Family Life Office will be carefully evaluating the system over the next 30-60 days to identify and fix any problems/issues that may arise for couples who register.

If your couples have any questions, we will gladly assist them in all the steps they must take to register and complete the program. We have two people who will be helping the couples with the Spanish Marriage Prep registration:

- Primary Registration Support is **Lisa Del Valle**: [Lisa.DelValle@archny.org](mailto:Lisa.DelValle@archny.org) or **646.794.3193**
- Backup Support is **Lina Zuluaga** (*Spanish Programs Coordinator*): [Lina.Zuluaga@archny.org](mailto:Lina.Zuluaga@archny.org) or **646.794.3199**

Thank you for your continued support, and if you have any questions in the meantime, please don't hesitate to contact me at **646.794.3186**, or [dr.kathleen.wither@archny.org](mailto:dr.kathleen.wither@archny.org).
