Re: **"LIVE THE LOVE" MOTHER - DAUGHTER FERTILITY APPRECIATION VIDEO SERIES**

Dear Pastors and Administrators,

Mothers are in a special position to engage their daughters about the gift of their fertility. **"Live the Love,"** a fertility appreciation video series from the *Couple to Couple League*, offers three age-related video packages for moms and daughters to view.

The most common response to women learning of their fertility is, **"why haven't I been taught this before?"** They make a good point. Young women should to be introduced to fertility awareness at an early age: this program helps girls really connect with the incredible truth of their God-given body, making it more likely to be pro-life, reject contraception, and become more confident with any fertility decisions.

Bulletin blurb:

Each video is short, scientific, and appealing: segments include "Beauty of the Body," "Hormone effects," "How to Talk to Your Doctor," a mother/daughter online social community, and more.

At this point, the "Live the Love" video series is only being offered in English. For parents in the Archdiocese of New York, it is being offered at a special discounted price until the end of the year. We ask you to include the English flyer (attached) and/or the above blurb wherever it works best for your parish (bulletin, website, social media, etc.).

Thank you for your support, and if you have any questions, please contact **Susan DiSisto** at susan.disisto@archny.org. or leave her a message at **646-794-3191**.
