

St. David's Infertility Prayer

Thank you, Lord, for all the blessings in my life. Help me to remember them as I face the challenges of infertility. I pray that I can surrender myself into your hands. Let me accept the reality of this situation and have the wisdom and courage to take action where I can. Strengthen my body, mind and spirit to endure the trials of infertility. Keep me ever mindful of the needs of others and grant us your peace. Amen.

Healing The Pain of Infertility

Dear Lord, the pain of infertility is so deep. All of our lives, we dream of being mothers, of raising children with loving hearts to do your will on this earth. Month after month when that dream does not come true, it so painful, Lord. We feel like our dreams die each month with empty arms. Please guide us to trust in your plan for us. We desperately need you in our lives. Thank you for all the blessings we do have, knowing through you all things are possible. Amen

St. Gerard's Prayer

Good St. Gerard, powerful intercessor before the throne of God, wonder-worker of our day, we call upon you and seek your aid. You know that this marriage has not as yet been blessed with a child and how much [husband's name] and [wife's name] desire this gift. Please present these fervent pleas to the Creator of life from whom all parenthood proceeds and beseech Him to bless this couple with a child whom they may raise as His child and heir of heaven. Amen. Source: [St. Teresita Hospital](#)

Lord, You know that I still desire a baby - someone to mold, teach, train, shape, guide, and help to grow in You. But until the day You give me that joyous blessing, help me to grow in You. Let me reach out to those around me. Let me witness and minister to the children You place in my path.

Lord, I want to give this desire, this drive, this ache up to You. Help me not to snatch it back as I so often do with the burdens I place in Your hands. Help me to be truly content with Your will and Your timing.
