

Kids today are growing up with technology.

In many ways, technology is great. The internet brings many opportunities for education, entertainment, and communication. But there are also many dangers online—dangers your children need to be prepared to handle.

The home is the hub of where we nurture our children into thriving adults who love the Lord and steward their sexuality. Parents are the first educators of their children when they are at home, when they are away, when they lie down and when they get up (*Deuteronomy 11:19*).

Equipped: Smart Catholic Parenting in a Sexualized Culture uses the image of the home to guide you in how to teach your children to say no to pornography, while at the same time forming them in a broader understanding of:

- Their God-given identity
- The importance of sexual integrity
- How to understand sexual shame
- How to engage media with discernment

This book makes it possible to have engaged, healthy, and informed conversations about online threats.
