# STRONG CATHOLIC FAMILIES

PARTNERING WITH PARENTS

EDUCATE | ENCOURAGE | ENGAGE

To continue the discussions initiated at our *Engage – Educate – Encourage* meetings held these past few months, the Office of Family Life urges all pastors, priests, deacons, religious, catechetical and pastoral leaders, family life coordinators, and all interested parishioners to attend one of the following gatherings where *Strong Catholic Families – Partnering with Parents* will be explained further.

***Strong Catholic Families helps church leaders envision how the Catholic Church can more effectively partner with parents to help foster Catholic family life.***

The Strong Catholic Families resources, events, and training options are designed to:

- Motivate and engage parents to embrace their responsibility for the faith and family life development of their children and grow the domestic “home” church.
- Motivate and engage parish/school leaders to accompany, support and equip parents and families in passing Catholic family life to their children in many and varied ways.

This is the next step to learn how to give priority to assisting families grow as true strong Catholic families. More information will be shared and next steps presented. This is not another program, but rather a way of gathering parents and family members to discuss their particular needs and desires. Each opportunity eventually customized for your parish, parish collaborative, school, etc.
