

Longest Married Couple Search - 2020

Each year in connection with **World Marriage Day** (Feb 9th, 2020), the Archdiocese honors those Catholic couples (sacramentally married in the Church for 65 years or more) who exemplify what is good about the Sacrament of Holy Matrimony. This year 30 couples were nominated in the **Longest Married Couple Search**. All received a commemorative certificate signed by His Eminence.

The **winners in 2020** are **Josie and Stanley Maciocha** from Transfiguration Parish, Tarrytown, married **77 years**. Of notable mention are two couples who are married **75 years** (**Theresa and Anthony Stellabotte** from St. Ann's, Staten Island; and **Regina and Maurice Terry** from Sacred Heart, Yonkers) and **Deacon Theodore and Alice Gaskin** from the parish of St. Pius X, Scarsdale, who are married **70 years**.

Many of these couples' parishes recognized them in some way – through a bulletin announcement, altar announcement, special anniversary Mass, home visit, etc.
