

## Department of Youth Faith Formation

Catechetical Office • Office of Youth Ministry  
ARCHDIOCESE OF NEW YORK

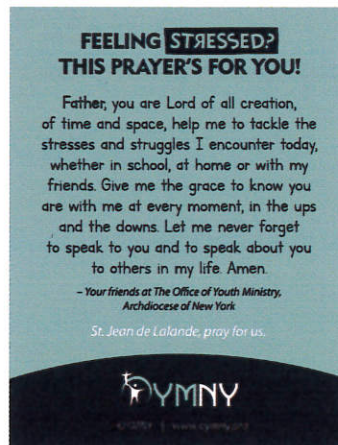

### End of the School-Year Resource for You!

A blessed Easter season to you!

Because the end of the school year can be such a stressful time for teens, our team at the Office of Youth Ministry has written a prayer for them to invite God into the struggle with them. As a special resource for you, we have created prayer cards with this prayer to share with the teens in your parish. We'll be stopping by your churches to bring you copies, and there's also an electronic version of the prayer available to you for your bulletin, website and social media. You can access this through the new electronic chancery office mailing. If you'd like, we've also written a sample prayer of the faithful for your high school and college students that you can include in your masses.

#### For Masses through June 23

**Sample Prayer of the Faithful:** For the teens in our parish finishing up their year at school, may they have the grace to know that God is with them at every moment to help them tackle the stresses and struggles they encounter whether in school, at home or with their friends.

In Christ,

Daniel Genn  
Associate Director of Youth Ministry
